

PRECISION LOGISTICS SINCE 2002

Fast & Safe Transportation

Air · Road · Maritime — for the world's most sensitive shipments.

Clinical Trials

Biological Samples

DGR

Bonded Cold-Chain

ABOUT EXPRESS CARGO

ABOUT EXPRESS CARGO

Two decades of moving what matters

Founded in 2002, Express Cargo delivers fast, secure freight to and from any destination worldwide. Through a wide network of agents we provide full freight service — and we've specialized in the shipments others won't touch: drugs, medical specimens, and equipment for clinical trials, moved with the precision they demand.

20+

Years in operation

2015 Certified

WHAT WE DO

WHAT WE DO

One partner, **every mode**

Air Freight

Customs-cleared, door-to-door, via Belgrade airport.

Road & Marine

National, EU-wide, container & oversize.

Critical Express

NFO, On-Board Courier, Direct Driver.

Biological & DGR

Specimens and dangerous goods, worldwide.

Cold-Chain Warehouse

Bonded, -20 °C to +25 °C zones.

Clinical-Trial Logistics

IMP, ancillary supplies, consulting.

AIR FREIGHT

AIR FREIGHT

Air Freight Management

01

Pickup at your location

02

Import / export customs clearance

03

Transport to & from Amsterdam airport

04

Door-to-Door Delivery

Road & Marine Transport

Road & Marine Transport

- Fast, secure delivery to final consignees across the country
- Oversize air freight relayed to regional hubs and cargo terminals
- Full container transport organization
- Delivery to any customs office in Serbia or the EU

TIME-CRITICAL SERVICES

TIME-CRITICAL SERVICES

When it absolutely cannot wait

NFO

Next Flight Out

Collected and flown on the first available flight, tracked door to door.

OBC PREMIUM

On-Board Courier

Our premium service. A dedicated staff member hand-carries your shipment as cabin luggage, first flight out, never leaving its side.

Direct Driver

Exclusive road

Exclusive road transport — van, hydraulic-lift truck, thermal or refrigerated — one driver, one shipment, minimal transit time.

Biological Samples & Dangerous Goods

THE SPECIALIST DIFFERENCE

WHY EXPRESS CARGO

WHY EXPRESS CARGO

A partner you can **Rely On**

- International & domestic freight, forwarding, customs brokerage & warehousing
- Deep clinical-trials specialization with full cold-chain compliance
- ISO 9001:2015, certified by TÜV SÜD
- IATA member

Every shipment is managed by a dedicated coordinator from start to finish. You have one direct point of contact, fast communication, and a transport solution tailored to your schedule, cargo requirements, and customs regulations. From our office at Schiphol, we ensure your shipment receives the attention and care it deserves.

“Placing your shipment in our hands is placing it in safe and reliable hands.”

GLOBAL FOOTPRINT
